CatMarine 39 – Technical Features

<i>Technical Data</i>	
Length OA	11,98m
Beam max	5,50m
Draft	0,98m
Displacement	4,5 T
Fuel Tank	2 x 100 L
Engines	2 x 40 Hp
Trasmission	Sail Drive
Boat CE certified	C
Capacity	38 people

All date are indicative

Construction

Hulls, deck, cockpit and rudders are full sandwich in glass reinforced plastics using isoftalic polyester resin with PVC foam of 15/40 mm with a specific weight of 75 kg/m^3 .

The gelcoat used is neopenthilic isophthalic, ice white colour, RAL 9003.

The wood used for the interior are in marine plywood.

Crossbeams are made from high-resistance glass reinforced plastics.

Deck and Cockpit

Stern hatch on the steps with access to the rudders compartments

Steering console fiberglass with a raised floor

4 benches for 10 seats in fiberglass (2 of that serve as hatches to engine rooms)

Hydraulic steering with stainless steel wheel diameter 380 mm

Compass of navigation

Cabinet with eight magneto thermic circuit breakers

2 x 100 Ah battery

Battery isolator switch two inputs and two outputs

8 electric bilge pumps

2 manual bilge pumps

Block for the anchor on the bow cross

4 hatches 600*600 in anodized aluminum with smoked glass to access the hulls

6 cleats in stainless steel, 250 mm and 300 mm

700 W electrical windlass, with 13 kg delta anchor and 35 m chain

2 Stainless steel swim ladder

Engines

2 inboard diesel Volvo D2 40 hp each

Elettrostop

Sail drive Volvo with fixed three-blade propeller

2 alternators charging batteries at 115 Ah

See water filters

2 electrical digital control panels standard Plus

Ultraflex independent double stage throttles

2 diesel tank 100 L each

2 prefilter to separate water and fuel

Price (ex work)

€ 129.000

Optional

Bimini in stainless steel with to cover with Steel handrail
with spotlight with halogen light in the cockpit, helm seat

€ 12000

Steel gate

€ 350

Transport, preparation and launching

€ 5000

Plotter GPS Raymarine A67 Silver chart, trasducer depth7temp

€ 2400

VHF Raymarine RAY 49 E with antenna

€ 800

Electric fridge 12 V 130 LT

€ 1200

Electric fridge 190 LT wiht 2 big drawers (it involves battery upgrade
from 100 Ah to 140 Ah)

€ 2900

Inox kitchen with two flames and crystal cover

€ 800

Inox kitchen sink with tap and crystal cover

€ 600

Cushions for external 4 benches

€ 1900

Water tank 140 L with pump

€ 900

1 external shower

€ 450

Hi-fi stereo in the cockpit with 4*300 W speakers and amplifier

€ 2900

Led blu lights under cockpit

€ 1600

220 V electrical system: battery chargers 30 A, electric dock socket,
switchboard 220 V, 20m cable

€ 2300

1 battery extras 100Ah (It provides for variation of the divider charge)

€ 500

Extra fuel tanks 200 L

€ 500

Epoxy primer treatment

€ 1500

Extra motorization Volvo Penta 75 hp	€	11200	<input type="checkbox"/>
Bathroom under deck, with 1 drinking water tank 120lt, autoclave, electrical wc	€	3500	<input type="checkbox"/>
Boiler 220V	€	1800	<input type="checkbox"/>
Autopilot Raymarine EV-200 with hydraulic actuator	€	4100	<input type="checkbox"/>
Commissioning on board	€	500	<input type="checkbox"/>
